April 2024 Updates

Friday 19 April 2024

Christian Vision and Values

Our Christian value this half term is: Generosity

Vision

Our vision and values are born out of God's love and nurture of all creation. Together we work as a family to see one another grow and flourish: Knowing that we are precious and unique to God.

We aim to live out our values in our school and the word around us: as we play our part in God's wonderful creation story

Motto

God's family, growing together, inspiring our world

Online Safety

For Parents - What is County Lines?

Grooming is often associated with sexual grooming, but as we all know the process of grooming can be used for a multitude of crimes where children and young people can be exploited.

Internet Matters have put together a really useful guide for parents explaining county lines, how children are targeted, how children may be vulnerable and some resources/support.

You can find the guide [HERE](#).

Mental Health Presentation

“For God did not give us a spirit of fear, but of power and of love and a sound mind.”

What does Mental Health mean?

Mental health is about how we think, feel and act. Just like physical health, we all have it and we need to take care of it.

With good mental health, we can think positively, feel confident and act calmly.

With poor mental health, we might find that the way we're thinking, feeling or acting becomes difficult to cope with.

We might not enjoy things we used to like doing.

We might feel sad or angry for longer than usual.

We might feel like we can't control how we feel or behave.

Which of these children do you think suffers from mental health? Why?

You can still smile and feel sad inside.

How can we improve our mental health?

Who can help you in school or at home?

What does Mental Health mean?
