Online Safety

For Parents - What are Social Media Scams?

With online scams on the rise worldwide, particularly at this time of year, it's important we are all aware of what scams are, the common types of scams and helpful tips. Internet Matters have a great information page for parents with lots of useful information. You can find all the information [HERE](#).

Pine Class Swimming

Monday 4 December will be the final swimming session for this year until after the holidays. Children will be participating in water safety and will need to bring some clothes to wear in the water alongside their swimming costumes. Children should bring a thin top with long sleeves and full length leggings. Usually similar to what they will wear in forest school. Year 6 children have experienced this before and should know. Please share your knowledge with any year 5 parents. Thank you

Christian Vision and Values

Our Christian value this half term is: Nurture

Vision

Our vision and values are born out of God's love and nurture of all creation. Together we work as a family to see one another grow and flourish: Knowing that we are precious and unique to God.

We aim to live out our values in our school and the world around us: as we play our part in God's wonderful creation story

Motto

God's family, growing together, inspiring our world

Safeguarding

Safeguarding is everyone's responsibility. If you are worried or concerned for the welfare of a child please call 01629 533190.

Dodgeball Competition

A big thank you to Mrs Orme and Mrs Matthews for supporting our children, in their own time, at a dodgeball competition at Greenbank on Tuesday evening.

The children who participated will receive certificates. Both teams worked really well together. One team will be at the finals as they were unbeaten in all of their games.

Let's cheer them on for the Finals next Thursday. What a great experience! (Photos on link above)
