Online Safety

Online Safety Bill (Act)

The Bill is here and approved, it just needs Royal assent, likely towards the end of October/early November. Simplistically the Online Safety Act will bring an end to tech companies self-regulating with the government (regulated by Ofcom) holding companies to account over a vast range of content, contact and conduct issues including the design and functionality of their services.

It's going to take some time for everything to be implemented, but at last, after over 25 years of no action by government, we're seeing something meaningful.

Carnegie UK have put together a small, fantastic 12-point guide to the Online Safety Act [HERE](#).

For Parents - YouTube Supervised Accounts

YouTube Supervised Experience is really easy to set up and gives parents much greater flexibility in managing the content their children are watching on YouTube.

5 very simple videos show parents how to set up and use Supervised Experience, YouTube Kids (which also has new settings). Feel free to share [THIS](#) page.

For Parents - Conversation Starters

To help parents, Internet Matters have put together some conversation starters and tips to help which you can find [HERE](#).

Attendance

It is great to see so many of you arriving to school on time and ready to learn, even with the horrible rain we've had. Keep it up!

School Photos

8.30am onwards children and younger siblings not in school

If you have PE on this day, please send your child to school in uniform with PE kit to change into.

Mobile Phones in School

Children in Y6 who walk home alone are allowed to bring in their mobile phones. However, they MUST be handed into the office for safety and safeguarding reasons. Children are not permitted to use them in school. Thank you to all the children who are already doing this.

Christian Value

Our Christian value this half term is: Friendship

New Christian Vision & Values, coming soon...

Thank you to all parents who filled in the form before summer about our Christian ethos. Staff and the governors have been busy working away in the background on this. Before it is launched, I will be meeting with staff to ensure we all understand the vision and we can live it out to help our children flourish.
