For Parents - Apps to Help Kids Get Active

In this beautiful weather we're having and with the summer break just around the corner it's important that we all get outside and soak up the goodness. This can be difficult for parents whose children seem super-glued to their devices so Internet Matters have put together a useful advice page with a list of different apps for children of all ages to get them motivated. You can find the advice page [HERE](#).

Sports Day

Wednesday July 12 is sports day. This will start with a picnic on the field. Please bring blankets, parasols, chairs etc. The gates will open at 12.00pm for you to select a spot around the edge of the field. Races will commence at 12.30pm. During this half hour please do not let your child run around the field. We have to be extra careful this year as the builders have their equipment on the field.

Bring sun cream, sun hats and plenty of fluids. The whole day will be weather dependant, so keep a weather eye out as there is no contingency for a wet, cold day.
