#### ***Roblox - New Age Rating and Parental Controls***

*Roblox is an incredibly popular game across all ages, but particularly children. Until now Roblox has been rated 10+ by ESRB and 7+ by PEGI. This has changed to 'Teen' by ESRB and Parental Guidance Recommended' by PEGI. Additionally, Roblox is introducing more parental controls to filter different experiences dependent on the age of the user. This is an interesting and welcome development due to the incredible amount of user-generated content within Roblox, and a change that I'm sure many parents will welcome.*

### ***Reading***

*Reading is a big feature of our School Improvement this year. Thank you to those who were able to join their children for reading mornings this week. Please do come along. Staff in school are ensuring children are reading regularly in phonics, guided reading and other curriculum areas. The more children read, the better vocabulary and access to the curriculum and learning they will have.*

*A recent study showed how many words children would have heard by the time they are 5 years old:*

*Never read to, **4,662 words;***

*1-2 times per week, **63,570 words;***

*3-5 times per week, **169,520 words;***

*daily, **296,660 words;***

*five books a day, **1,483,300 words.***

*If you would like any help with reading please do talk to us*

### ***Reading Mornings***

*Pine - Friday*

*Oak - Monday*

*Willow - Wednesday*

*Beech - Wednesday*

*We look forward to seeing you*
