

Hartshorne C of E Primary School

Literacy

This term we will be using our Talk for Writing texts of Lost and Found, The amazing life cycle of plants, Beegu and a poem by Michael Rosen. We will be learning all about characters and settings and information texts through these wonderful stories and poetry. We will also be continuing to learn more new phonic sounds in our Sounds Write lessons. Please continue to support your child's reading regularly at home, thank you.

Important information

20th Jan -Skipping workshop

11th Feb -Safer Internet day

12th Feb -Willow class trip – Carsington Water

19th March – Parents afternoon and design to delight

4th April – Easter service at Church

Mathematics

In our maths lessons we will be continuing to practice our mental maths using the 4 operations in our weekly 'Tough Ten' calculations. We will also be looking at numbers to 50 in year 1 multiplication and division in year 2 , and all children will be discovering more about length and height, capacity and temperature(Y2) in our Power Maths lessons.

Willow

Spring 2025

Christian Values:

Aspiration and Hope

Curiosity

Computing/Music

In computing we will be creating digital media and making music. In our Music lessons we will be using our music curriculum 'Sparkyard' to explore sounds and moods.

Safeguarding

Self-Image and Identity and Health and Well-Being and Lifestyle.

PSHE

In our PSHE lessons we will be exploring what helps us to stay safe and healthy. We will be exploring dental health, physical health and staying safe around medicines. We will also be looking at making healthy viewing choices

DT/Art

This term we will be learning about food and nutrition, practicing our cutting skills in DT by creating healthy fruit kebabs and wraps. In Art we will be using Birds as our inspiration for artwork, sculpture and different techniques. We will also be exploring the work of Kandinsky.

Geography / History/Science

This term, in History we will be using the big question " Who were the greatest explorers and what did they do?" We will be finding out about famous male and female explorers and why they are inspirational.

In Geography our enquiry question is "What is it like to live in a hot/cold climate?" We will be exploring the North and South Pole, Continents and Oceans and what it is like to visit hot and cold places in the world.

In Science we will be learning all about plants and trees and how they adapt to their environment.

RE

In RE this term we will be thinking about what makes places sacred through exploring different places of worship. We will also be understanding why the story of Easter is so important to Christians.

PE

Our PE sessions will continue to be on Tuesdays and alternative Wednesday afternoons; children must come to school wearing the correct PE kit in school colours with no logos please. If your child wears earrings, please remove them for PE days. This term we will be focussing on dance, developing our skills in solo work, partnering skills and artistry.
