

Hartshorne CE Primary Wrap Around Care starts September!

Dear Parents/Guardian,

We're excited to introduce Progressive Kids Wraparound Care, which will be running at Hartshorne CE Primary School from September!

We understand the challenge of balancing a busy work schedule, finding new enriching activities, and also finding a convenient and trusted person to take care of your child.

So, we'll be providing breakfast clubs, and after school clubs, from September!

It would be great to see your support by using the wraparound, as we'd love to show you and your child all the enriching activities we have planned. **Our Wrap Around lead will be at the school on 4th July from 3.15-3.45pm**, if you'd like to see some of the example activities we have planned,

Here is an idea of some of the activities that the children will take part in:

Our inclusive child-led activities are zoned into 4 areas. We have an **active zone, wellbeing zone, discovery zone and a creative zone**. The children can free flow through the activities and get involved with the ones they enjoy.

We will also host One-Off Events – we'll run seasonal arts and crafts events or unique activities like glow sports. There will be a series of one-off events each term to provide variety and opportunities to get involved in something different.

The Ofsted registration process is underway, so you can be safe in the knowledge all our policies, procedures, activities etc, are governed by Ofsted criteria.

We like to think what we offer is so much more than just childcare! There will be a flyer coming out shortly of how to book - **it's all online and we accept childcare vouchers too!**
