

# Hartshorne C of E Primary Wrap Around Care

Dear Parents/Guardians,

**We have decided to temporarily pause our Wrap Around Provision at the school until January 2026.**

Regrettably, the participation in the club has been significantly lower than what was indicated in the survey conducted with parents in February and March of this year. Most sessions have either seen no attendance or have only had one or two children present.

However, we remain committed to making this work!

We have scheduled a meeting with the Headteacher in November and will be re-surveying parents soon, aiming to relaunch the provision in January 2026 with a fresh approach.

We appreciate your understanding regarding this decision and hope it does not cause any short-term inconvenience.

If you have any suggestions for us in the meantime, please drop any thoughts to [holly@progressive-sports-derbyshire.co.uk](mailto:holly@progressive-sports-derbyshire.co.uk)
