

# Hartshorne C of E Primary School

## English

This term we will be focusing on descriptive writing, including a portal story and a myth.

We will also be writing newspaper reports in our non-fiction unit.

## History

In History we will be focusing on the Roman Empire and how it impacted Britain.

## Geography

In Geography, we will be looking at different biomes including deserts, forests and a tundra.

## PSHE

We will be concentrating on how we manage our feelings, including the importance of expressing our feelings and how to seek support.

We will also be looking at what makes a community and how to be inclusive within one.

## PE

PE will be focusing on expressing our creativity, working together and moving our bodies in different ways.

## RE

### Creation and Fall

We will be thinking about what Christians learn from the creation story and why it remains important in the Christian faith.

### Why do people pray?

We will be looking at the similarities and differences in how people pray in different faiths, including Islam, Judaism and Christianity.

## Mathematics

This term, we will focus on arithmetic skills to improve recall of number facts, multiplication and division. We will move onto fractions, area and measure including mm, cm and m.

Year 4 – we will be continuing our preparations for the Multiplication Tables Check, which will be administered during the Summer Term.

## Computing

E-Safety  
Sequencing Sounds  
Photo editing

## Science

Our first unit will be looking at sound, including how sound travels to the ear, sound insulation, volume and pitch.

In our second unit, we will be learning about conservation of living things and their habitats.
