

Making Sense of your Child's Sensory World Workshop

Practical tips and positive strategies to help your child feel calm, confident, and thrive.

Join us to discover how your child's senses develop and the crucial role sensory processing plays in everyday life.

During this session we will delve into what sensory processing needs look like and why they matter, offering real-life examples to help you understand the challenges and strengths your child may experience.

You'll gain practical strategies to support your child's regulation and confidence at home, in school, and in the community.

We will also introduce Derbyshire's approach to supporting children and young people with sensory processing needs, ensuring you feel empowered and equipped to create a calm positive environment where your child can thrive.
