

# Hartshorne C of E Primary School

## English

This term we will be writing playscripts and adventure stories. In our non-fiction units we will be looking at explanation texts and discussions.

## History

In History we will be focusing on the Vikings invasion in Britain and the impact.

## Geography

In Geography, we will be looking at the United Kingdom including the counties, cities as well as plants and animals found in the UK.

## PSHE

We will be concentrating on the difference our choices can make on others and the environment.

We will also be looking at why we should stay active and sleep well.

## PE

PE will be focusing on dynamic balancing and ball skills as well as learning about health and fitness.

## RE

### People of God

We will be looking at stories from the Old Testament and understanding what it is like to follow God.

### What does it mean to be a Hindu in Britain today?

We will be looking at the Hindu faith including, what their beliefs, practices as well as significant Hindu figures like Gandhi. We will understand how Hinduism is relevant in Britain.

## Mathematics

This term, we will focus on arithmetic skills to improve recall of number facts, multiplication and division. We will continue to cover fractions, moving onto decimals, mass, time, shape and statistics.

Year 4 – we will be continuing our preparations for the Multiplication Tables Check, which will be administered during the Summer Term.
