Computing/Music

In computing we will be learning about programming animations such as Scratch Jr and designing and creating a programme. In Music we will be exploring pitch and melody using tuned and untuned instruments.

PSHE

We will be learning and talking about what helps us to grow and stay healthy and how we can look after each other in the world, linking these ideas to our learning in RE.

We will support the children in Year 2 as they transition to a new class next year.

Geography / History/Science

This term, in History we will be using the big question "How has nursing in hospitals changed?" We will explore the significance of Florence Nightingale, Mary Seacole and Edith Cavell.

In Geography we will be learning about maps and our local area, taking part in some fieldwork to further our knowledge.

In Science we will be learning more about structures and finding out about habitats including microhabitats.

Art/DT

This term we will be developing our skills in art by finding out about printmaking.

In DT we will be learning about food and nutrition and making smoothies.

RE

In RE this term we will be thinking about how we should care for the world and each other and why it matters. We will also be following our school's vision and values, sharing our thoughts and feelings about the importance of trust in living out our everyday lives and curiosity as part of our view of the world.

PE

Our PE sessions are on Tuesdays and Wednesdays; children must come to school wearing the correct PE kit. If your child wears earrings, please remove them for PE days.

This term we will be learning more balances and ball skills as well as learning to dance
