Science

Living things and their Habitats

We will be learning about life cycles of plants and different animal groups.

Animals including Humans

We will be learning about the life cycles of mammals, including gestation and development.

Mathematics

This term there will be a focus on decimal fractions and money, applying our knowledge of place value, addition, subtraction and comparing numbers.

We will solve problems and use lots of mathematical language when talking about our learning.

Computing

We will revise essential e-safety rules for the classroom and at home.

We are going to look at how computer systems work.

We will also be looking at video editing and production.

Pine

Autumn 1 & 2 2026

**Our Christian Values:
Inclusivity & Respect**

Safeguarding

12th Sept – World First Aid Day
16th-20th Nov – Anti-bullying week

Art

We are going to learn about typography and some artists who use this technique.

Design Technology

We will learn about pulleys and gears and how these help objects move.

History

We are going to learn about the Ancient Egyptians and their society.

Geography

We are going to look at the human and physical geography of North America, as well as the climate and impact of wild fires.

PE

Our PE sessions will be Tuesday (swimming) and Fridays.

Children must wear suitable, clothing and footwear. Please ensure earrings are removed or taped.

PSHE

Friendships, stereotypes and bullying

We will learn and discuss what a positive and respectful friendship looks like and the impact of bullying.

Mental Health and wellbeing

We will focus on naming emotions and changing thinking habits.

RE

Why do some people think God exists?

We will discuss the beliefs of Christians in opposition to those who do not believe in God.

Incarnation

We are going to explore the idea of reincarnation within Christianity and the Messiah.
