

Willow home learning – Autumn term.

Geography

In Geography we will be learning more about our local area. Go for a walk and talk about the things you see. Find different physical features, like ponds and woods, and human features, such as the church or the bus stop. Challenge yourself to draw a map of your local area. You could add your own symbols and write a key. Bring your maps in to show to the class.

Phonics and reading

Speed read –

How many words can you read in 30 seconds? Ask your adult to write a list of words for you to read.

Year 1 words to include the sounds;

ch, sh, th, ng, scr, str, spr.

Year 2 words to include the sounds;

air, ue, oy, ar, ea, ee, oe, or.

Can you beat your score more than 3 times?

Continue to read regularly at home, and answer questions your adult asks you about the book to make sure you understand the story.

Christian Values

Inclusivity and Respect

Think about your best qualities. What 5 words would your friends use to describe you?

Write them in a list using any writing you like, you could try bubble writing, rainbow writing, cut out letters from old magazines, comics or newspapers to spell the words or even create a paper chain word list!

Art

Did you know BBCBitesize has lots of fantastic games and activities to help with learning?

Visit the BBC Bitesize Creative Lab and explore the Paint and Create activity, you can paint, draw, collage and lots more! Express your creativity!

Toy shop maths

Set up your own toy shop at home!

Give some of your toys price tags. Take turns to be the shop keeper and customer.

Buy an item and find the correct coins needed to pay. How much change would they get from 50p if the toy cost 25p?

Can you buy more than one item and add to find the total?

Science

Choose an animal group: mammal, amphibian, fish, bird or reptile.

Think about what animals in this group are like. Do they have scales or fur? Do they live on land or in water?

Design your own brand-new animal that would be part of this animal group. Choose the parts your animal has carefully to make sure it fits its animal group, be creative!
